Some things you should know...

- ✓ It is a requirement for sheets and pillow slips to be provided by each guest. Under no circumstances are sleeping bags to be used. If for any reason any guest neglects to bring sheets or a pillow slip, Mitre 10 is stock bed linen and is located on Snowy River Avenue behind the NPWS Visitor Centre.
- ✓ You have been sponsored by a member of the Lodge who is responsible for ensuring that you are provided with information about the facilities and expected standards of behaviour whilst you are with us, and the contributions we expect that you make to ensure everyone enjoys the amenity of the lodge. If you have been with us before, welcome back, if you are joining us for the first time, may we suggest that you speak with your sponsoring member to understand your expectations better.
- ✓ Be aware that access to the lodge is by collecting the keys from your sponsoring Member prior to your journey to the lodge and the return of those key to your sponsoring member after your stay with us.
- ✓ Treat the lodge as if you were a guest in a friends house.
- ✓ Be the first to light up the fire when you return from the ski slopes and create a warm environment for those whom will join you shortly. The wood for the fireplace is located in the brick garage. Please restock the storage area next to the fireplace regularly
- ✓ Take a few minutes prior to your departure to clean and tidy your bedroom and the common area.
- ✓ Please clean up after you have used the kitchen. Ensure the garbage bins are set at the kerb for scheduled pick up (which are displayed on the fridge). It is useful to check if the neighbours have put out the recycling bins, due each second week..
- ✓ Please leave all refrigerators turned on during the Winter season
- ✓ Please note that our permanent tenant in Unit 2 flat has an allocated parking space, please respect that and keep that clear at all times
- ✓ Please provide this information to all members of your booking. We would like to have you back, but we need for you to show us that you and all members of your group enjoy the same approach for the Lodge

Enjoy your Stay
